

WOMEN'S ONLY 5K WALK & RUN **VIRTUAL RACE**

MONDAY - SATURDAY
Sept. 28 - Oct. 3, 2020

*"It's more than just a 5K.
You're doing it to honor people
you have lost and people
who are fighting."
– WO5K Participant*

WOMEN'S ONLY
5K WALK & RUN
VIRTUAL RACE

DEAR FRIENDS OF THE WOMEN'S ONLY,

Debbie Cunningham, DNP, RN
Senior Vice President, Cone Health

Skip Hislop
Vice President, Oncology Services,
Cone Health Cancer Center

*"The energy and the passion is indescribable among the women and the survivors."
– WO5K Participant*

Inspire. Empower. Celebrate. These three words embody the spirit of the Women's Only 5K Walk & Run. Now in its 28th year, we have reimagined this race as a virtual event and invite you to give back to your community through your sponsorship.

Whether they are breast cancer survivors, avid runners, casual walkers or none of the above, women in the Triad love this event because of the support it provides to others in their breast health journey. Proceeds from the race fund the Cone Health Mammography Scholarship Fund and the ALight Program, which together can provide up to 600 uninsured or underinsured women each year with lifesaving mammograms, financial assistance, educational opportunities and emotional resources. By helping us defray the cost of the event, your organization allows us to donate all the proceeds to breast cancer patients right here in our community.

The success of this event is a matter of life or death. As the second leading cause of death among women, breast cancer is so prevalent that one woman out of every eight will be diagnosed in her lifetime. That adds up to over 250,000 women each year in the United States. Within the last year, Cone Health saw more than 1,000 breast cancer patients, so the need for your support is just as great as it has ever been.

The Women's Only has always served to honor the resilience of not just breast cancer fighters and survivors, but our entire community. No matter what struggles we are facing, it's important to find ways to connect, have fun and stay healthy. By helping us keep this event alive, your organization will not only help ensure that breast cancer patients will receive the early detection and resources they deserve, it will show your employees and the community at-large the value you place on wellness in these difficult times.

This packet outlines our sponsorship levels along with their corresponding benefits. Please feel free to contact us to discuss involvement and ask questions.

Thank you for your support.

Sincerely,

Debbie Cunningham Skip Hislop
