\*Expected Copay is based on the Manufacturer's Terms and Conditions. Any change to the manufacturer terms could affect your expected out-of-pocket cost at any time in the program.

\*\*Your Cone Health Outpatient staff will assist with the copay assistance process. Some manufacturer's may require you to contact them directly to enroll.

\*\*\*Chart does not include generic medications, syringes, pen needles, lancets, or alcohol swabs. Generic medications and the supplies listed will be a \$5 copay per 30 day supply for the Traditional Plan.

Save plan members pay 100% of the cost of supplies until the deductible is satisfied.
